As we make all our food fresh and daily within our kitchen it means that $w$ often handle lots of different allergens. Whilst we aim to prevent any cross contamination, unfortunately the risk of this remain as our chefs handle several allergens throughout the day. We therefore cannot guarantee that our dishes are allergen free or suitable for people with allergies. If you have allergy or intolerance, please let our team know before you order so that they can helpo you choose suitable dishes. Our recipes do change from tome to time so please do take time to check.
